MORANBURG.

The egg crop is enormous.

There is very little plowing done, owing to so much rain.

Prospects are good for fruit of all kinds should there not be a late freeze.

Messrs. Jack Foley, John Slattery and Reed Richardson have disposed of a horse apiece at good prices.

On Wednesday a most disastrous rain fell here, which caused the death of Mrs. Boone, a son and daughter. Their home was situated on Lawrence creek, which became a river in a few minutes, washing the house away, all but the kitchen. The week's washing was left on the line in the yard. Her husband and another son were on the opposite side of the creek, but were powerless to assist them. The bodies of the mother and daughter have not been found yet. A great deal of damage was done to the farms at Mr. Charles Moran's; but for the washing away of a footbridge their home and outbuildings would have gone. They, however, lost all their chickens, pigs and their cow was taken nearly two miles down the creek, but was saved.

## MOUNT GILEAD.

Mr. Add Goodman's wife is numbered among the sick. Also Mrs. Hattie Sylvia.

Another youngster has come to town in the embraces of Mr. and Mrs. S. McDaniel.

Mr. James Turner is getting along nicely with his broken limb, under the care of Dr. Ford.

Mr. Jeff Rice's daughter, Addie Barnes, is home for a few days' visit from Bourbon College, Paris.

But few gardens are plowed and very little done in the fields on account of an extremely wet spring.

The prospect for fruit was never better until the present cold snap, which makes us quite uneasy as to its safety.

Miss Pearl Arnold, from Epworth, and Miss Mary Truitt, from near Tollenboro, are visiting the family of Mr. H. B. Farrow and other relatives.

It is all Equity, regardless of politics, out this way and no tobacco is to be raised this year. So we will not be troubled with night riders.

Mr. Frank Jolly went with his father, Robert Jolly, to Germantown to the burial of his uncle, William Jones, who recently came from Texas, and died near Epworth, Lewis county.

We saw and heard the dreadful storm that struck Maysville, and thought it was coming our way, but we were very thankful it failed to reach us and wish to express our sympathy for those who are suffering from its ravages.

## DEEDS, NOT WORDS.

Maysville People Have Absolute Proof of Deeds at Home.

It's not words but deeds that prove true merit.

The deeds of Doan's Kidney Pills For Maysville kidney sufferers Have made their local reputation.

Proof lies in the testimony of Maysville people who have been cured to stay cured.

William H. Paul, 333 East Third street, Maysville, Ky., says:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them several years ago, and the statement I gave in their favor at that time still holds good. Before I learned of their merit I was bothered considerably by pains in my back and other symptoms of disordered kidneys. After doctoring unsuccessfully I was induced to give Doan's Kidney Pills a trial, procuring them at J. Jas. Wood & Son's Drugstore. They promptly and effectively cured me, and I did not have a return of the difficulty until a short time ago. At that time I again resorted to Doan's Kidney Pills, and, as in the first case, they thoroughly removed every sign of the trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

## RADICAL CHANGE

Made By Methodists in Church Discipline—Movement Favors Dancing and Card Playing

The New York Conference of the Methodist Episcopal Church held an important session Monday at which matters of moment to the denomination were debated and acted on.

One subject which has created much comment, the resolution recommending to the General Conference that paragraph 248 of the Church Discipline, which advises against dancing, card playing, theater going, etc., be eliminated, was adopted by an almost unanimous vote.

Much to the general surprise, there was no debate on this question. It was simply taken up and a vote called for. Only seven delegates voted against the resolution.

## MATTER OF CONSCIENCE.

If the General Conference approves the step, it was explained, it will not mean that Methodism alters its historic position in respect to these amusements, but simply makes them a matter of conscience. A proposal that induced much speech-making, but was adopted by a substantial majority, was the resolution appealing to the General Conference to restore the time limit upon Pastors, a custom which was abolished about eight years ago.

The Conference also went on record as favoring the election of Negro Bishops. It adopted a memorial to the General Conference to that effect.

## PROTEST IS ENTERED.

It entered a protest against the elimination of the name of Jesus Christ in the Public Schools of New York. This last subject caused a spirited debate and vigorous language was engaged in regarding the action of the New York Board of Education in the matter.

A memorial for an elective Presiding Elder was lost and the one to petition Congress to legislate against the sale of intoxicants on United States possessions, including the District of Columbia, on the theory that "there should be no saloons under the flag," was passed unanimously.
